

What is a Bible reading plan?

The Bible is the greatest story ever written. Its pages contain the grand drama of God creating and redeeming a people for His glory. By reading the Bible you will see how your story fits into God's grand and glorious story.

This year's **Bible Reading Plan** will help you personally engage God's Word through a 15-20 minute daily reading. Monday through Friday provides a reading of a few chapters of the Bible. Throughout the year you will slowly read through 1/3 of the Bible. Readings from the Old Testament, New Testament, Psalms, and Proverbs are interspersed to provide variety and show how the Bible ties together.

On weekends your reading will focus on the sermon passage that will be preached at church which is listed on our church's website under Current Sermons. On Saturday you will read the upcoming sermon passage to prepare you for worship the next day. Then on Sunday you will reread and reflect on how the sermon passage applies to your life.

Why Read through the Bible?

It will take some effort and self discipline to read the Bible every day for a year. But there are many benefits. Here are a few:

- You will increase your knowledge and love for God (2 Timothy 3:16)
- You will discover truth as you spiritually grow (John 17:17, 1 Peter 2:2)
- You will gain wisdom and direction for your life (Psalm 19:7, 119:105)
- You will revive your weary soul with joy in your heart (Psalm 19:7-8)
- You will be protected from the dangers of sin (Psalm 119:9)

YES it will take some WORK to read the Bible every day for a year, but it will be worth the effort.

How to Use This Plan

1. READ - to observe what the passage says

Read the daily passage once or perhaps several times to observe the details of its content.

2. REFLECT – to interpret what the passage means

Reflect on the meaning of the passage as you ask, "What is the main point of this passage?" It is helpful to write your thoughts in a notebook.

3. RESPOND – to apply the passage to your life

After you reflect on the meaning of the passage, ask yourself, "What should I do based upon what this passage teaches?" Again it is very helpful to write your application down in a notebook.
